# ATLANTA PHOTOJOURNALISM SEMINAR

## PHOTOJOURNALISM.ORG

The Atlanta Photojournalism Seminar was founded in 1973 by a group of photojournalists representing newspapers, magazines and wire services. Its reason for being is to promote the highest standards of photojournalism through an annual educational conference and a photography contest judged by working photographers.

Speakers throughout the years have included Pulitzer Prize winners, Photographer of the Year winners, major magazine and wire service photographers, influential directors of photography, important educators in photojournalism, academia, and others important in this profession. Founded as a regional event, the Atlanta Photojournalism Seminar has grown to become one of the most prestigious photojournalism competitions, with participants from throughout the world.

The Seminar will be held at the Hilton Atlanta Northeast. There are dozens of shops and restaurants nearby. MARTA offers easy transportation to downtown, Hartsfield-Jackson International Airport, as well as other Atlanta locations.
